Phillips Business College Graduates

Beginning at left: Calvin Martin, one-year accounting course, son of Mr. and Mrs. J. G. Martin, Barbara Ragland, stenographic course, daughter of Mrs. Florence Amos; Kitty Lou O'Brien, stenographic course, daughter of Dr. and Mrs. C. G. O'Brien; and Hal Flood, college preparatory course, son of Judge and Mrs. Joel Flood.

Canneries To Open Tuesday, July 2

The school community canneries located at Appomattox and Pamplin will start operation this year on Tuesday, July 2, it was announced this week by H. B. Pack, instructor of vocational agriculture at the Appomattox High School. The cannery at Pamplin will open each Tuesday and Thursday while the cannery at Appomattox will open each day Monday through Friday. Both canneries will be closed for July 4.

Mr. R. C. Beale will manager the cannery at Appomattox and Mrs. A. R. Southall will be the lay instructor in charge at Pamplin. Mrs. Virginia Williams and Mr. W. M. Shupe will help the operations of the facilities at Appomattox and Howard Flood wil assist at the Pamplin Cannery.

Last year the Appomattox cannery ranked 5th in the State in food processed. Over 49,000 cans were processed at the Appomattox cannery while 23,000 cans were canned in the Pamplin cannery. A total of 1400 individuals in the county used the facilities of the two canneries.

This year the Appomattox Cannery will convert to the use of a number 2½ can, which is smaller than the present number 3 can, and a number 303 can that is slightly smaller than a number 2 can or a pint can. This change explained Mr. Pack, 'Will enable our patrons to can at a reduced cost and the size will be more in line with family use.' The cannery at Pamplin is scheduled to be converted at a later date in the canning season.

The two school community canneries in Appomattox have been in operation for more than seventeen years, and under the supervision of the instructors of home economics and vocational agriculture at the Appomattox High School.

Six Candidates At Work On New York Trip

All six candidates in the Times-Virginian New York Tour Club are hard at work earning their five-day expenses paid trip to New York. Several of the candidates are just about "over the top."

Working on the trip are Mrs. Clarke Moore, Oakville; Mrs. Kenneth H. St. John, Evergreen; Unice Ann Martin, Spout Spring; Mrs. Gene Davis, Pamplin; Mrs. Embra Davis, Pamplin; and Barbara Gaines, Appomattox.

Publisher W. L. Vaughan said there is room for several more candidates in the county, and urged anyone interested in earning the trip to come by the office to obtain all the details. The contest ends July 19.

E. K. Emurian Speak Tonight To Lions-Ladies

A Methodist minister, Reverend Ernest K. Emurian, who is also a hymn writer teacher, and noted speaker in the field of church music, will speak tonight at the Appomattox Lions-Ladies Night. Dinner hour is 6:45 p.m. in the Methodist Church with installation of officers in addition to the special program. All Lions and their guests are being cordially invited to attend.

Motorboat Goes Over Dam; Pilot Uninjured

A Pamplin man was uninjured after surviving a plunge over 'Scott's Mill Dam' on the James River in a 14 foot motorboat. John Thomas Price, 21, was operating a boat owned jointly by his uncle, Marshal E. Price and C. H. Price, both of Pamplin, when the accident occurred about 1:45 p.m. Sunday.

A witness who observed the accident from Red and Dot's Pier just above the dam located near Lynchburg, said Price made one pass at high speed close to the dam, then swerved around for another. This time he got too close, and over he went.

Witnesses below the dam said the boat landed flat near a rock, capsized and started to sink. The boat remained above the water. Two unidentified men standing on the shore swam out to Price and pulled him out of the water.

Police arrested Price and charged him with operating a motor boat in a reckless manner while under the influence of intoxicants.

Farm Bureau Meets Tonight

The Appomattox Farm Bureau will have its regular meeting at the Appomattox Court House, Thursday June 27 at 8 o'clock.

In addition to the regular business there will be a discussion on manufacturing milk by a representative of the White House Milk Co.

Anyone interested in the production of milk might do well to be present and listen to the discussion, especially all producers shipping to the local plant.

Reception Honors New Minister

Reverend and Mrs. Forrest S. Wagoner and their family were honored with an afternoon reception at Memorial Methodist Church, Appomattox, Sunday from 3:30 to 5 p.m. They are shown above with a daughter, Jane Frances, 10. They have two other children, Mary Agnes, 12 and Forrest II, 16. Mr. Wagoner was assigned to Memorial Church here as new pastor, coming from Fairmount Park Church, Norfolk. Fruit punch, cookies, nuts and mints were tastefully arranged on a white linen cloth for the afternoon affair. Mrs. David Trent, Mrs. Rachel Lawson, and Mrs. Mitchell Lewis, as members of the Pastoral Relations Committee, were in charge of arrangements Mrs. Ivey Holland served the punch, and the refreshment table was decorated with pink candles and a colorful arrangement of Bells of Ireland and red roses. Magnolias and green foliage were used in other arrangements in the Fellowship Hall.

Celebrate 4th! Ring Bells-2 P.M.

The Junior Woman's Club of Appomattox, along with other organizations throughout the state is asking churches, schools, public buildings and private individuals to ring their bells to proproclaim Independence Day — 2 p.m. on July 4.

FFA Team Will Represent State

David Torrence, Mike Torrence, and Norman Booth, 8th and 9th grade students at Appomattox High School, walked away with one of the top honors at the 1963 State FFA Convention held on the V. P. I. Campus during the week of June 17. This team, representing the Appomattox FFA Chapter, placed second in the State dairy judging contest and won the right to compete in a 14 state judging contest to be held at the Atlantic Rural Exposition in September of this year. At this contest the Appomattox team will represent Virginia.

The crops team composed of Sammie Scott, Kenneth Doss, and Thomas Lucado placed third in the state crop judging contest. Over 68 teams competed in this contest which was won by the Halifax FFA team. Kenneth DOSS was recognized as 7th high individual in the state in this contest.

Also at the Convention, the Appomattox FFA Chapter received the superior chapter award and was recognized as the second most outstanding FFA chapter in the State.

Other individual and chapter honors received at the annual FFA Rally were: Area Dairy Farming Award, Ronlad Millner; Area Farm Mechanics Award, Thacker Cheatham; Area Electrification Award, John Farrar; Chapter Forestry Contest, 4th place in the State and Southside Area winner; Chapter Wildlife, Area winner and 4th place award in the State.

In the State FFA softball tournament, Kenneth Doss was the winning pitcher in the opening game and Cecil Deaner hurled a 4 to 2 victory in the Championship game that was won by Southside area.

Those who attended the FFA Rally from the Appomattox FFA Chapter this year were Sammie Scott, Kenneth Doss, Thomas Lucado, Larry Doss, Jimmy Garrett, Kenneth Goin, Norman Booth, Mike Torrence, David Torrence, Cecil Deaner, and Ronald Millner. The group was accompanied to the Rally by their advisors H. B. Pack, R. B. Carter, and Dennis Torrence.

Warn Of Gov't. 'Encroachment'

Gladstone Fire House Dedicated; Lt. Governor, Congressman Speak

New Firehouse and Community Building is valued at $25,000. Gladstone serves four counties: Appomattox, Amherst, Buckingham, and Nelson.

The new fire house and community building at Gladstone was dedicated officially on Saturday in ceremonies which included addresses by Lt. Governor Mills Godwin and Congressman John O. Marsh, of the 7th District.

Godwin, commending Gladstone residents for their work, said" It is the spirit of Virginians to be self - sustaining and not to ask the federal government for help. Throughout time, the nation has had to have great people in order to accomplish great things and remain free. These can be accomplished through cooperative community efforts such as the erection of this fire station.

Congressman John O. Marsh, the other speaker at the dedication, also warned of the increasing role the federal government plays in the affairs of the people.

Godwin commented that on his travels through Virginia it gave him a feeling of pride to see how Virginians take care of their own needs without the aid of the federal government.

"There is a need of awakening in the people of the great need of public spiritedness such as our forefathers had. We have been endowed with these privileges which we enjoy upon a great deal of sacrifice on their part, and we must do our part to keep these privileges'."

Godwin was introduced by State Sen. Charles T. Moses, of Appomattox.

Other Celebrities and Officers

Lina Trent, of Appomattox, performed a baton twirling routine and Sandra Eustler, a dance during the festivities. Frank Bussell, of Lynchburg, was master of ceremonies.

Harry M. Dixon, president of the Gladstone Volunteer Fire Department, reported that the fire department began operation on April 5, 1963. Twenty - three firemen are on call, nine of whom have attended special firefighting schools and received certificates in firefighting. Total debt remaining on the building and fire truck is $8,000, Dixon said.

Dixon introduced the officers and directors of the department, a non - stock corporation, as follows: H. M. Dixon, president; W. F. Quinn, vice president; L. E. Moore, chief; Agnes C. Hersley, secretary; M. B. Miller, treasurer; F. J. Justus, director Nelson County: H. H. Higgenbotham, dirrector Amherst County: J. H. Dixon, director Buckingham County; and James Phelps, director Appomattox County.

Other guests introduced included: Mr. Harold Singleton, President Rurtian National; also Mr.

Jamerson Low Bidder On Old Court House Construction To Begin In July

Superintendent Grover E. Steele of Appomattox Court House National Historical Park announced yesterday that J. E. Jamerson and Sons, building contractor of Appomattox, has been awarded the bid to reconstruct the Old Court House at the nearby park.

Present at the bid opening Friday June 2, were W. E. Jamerson, representing the winning contract; also, Eric Simpson, of C. W. Hancock and Sons, of Lynchburg, and Roy Gunter representing Taylor Manufacturing Company, Farmville. Jamerson's bid, lowest of the three, was $125,534. Highest bid with bidder unnamed by Superintendent Steele, was $144,967.20.

Resident Architect Named

Orville Carroll, architect from National Park Service's Eastern Office of Design and Construction in Philadelphia has been named to supervise design and construction. He along with architect Robert E. Smith, also of the Eastern office and architect J. Everette Fauber, of Lynchburg, who drew up working plans for the reconstruction were also on hand for the bid opening.

Fauber has said that the exterior of the famous court house will be reconstructed in minute detail as far as is possible from an exhaustive research.

But the interior of the building will be 'as modern as tomorrow' with an information lobby, rest facilities offices and storage area on the ground floor and a 70 seat capacity threaer in the center of the second floor with exhibits around the outside walls.

Fauber explained that two grand staircases will be built on the east and west fronts of the building to the second floor which bessed the courtroom in the original building. The lower floor was used for offices by the county a hundred years ago.

The documented hisctfical report for the restoration was done by research historian Frank P. Cauble. The archeological report was done by Edward EcM. Larrabu who is with the Park Service.

Superintendent Steele stated that the Court House reconstruction is a part of the larger Mission 66, a plan by the National Park Service to build and improve facilities throughout the park system by 1966.

Construction of the Court House will start 'early in July', said the superintendent. The original building was destroyed by fire in 1892.

Bloodmobile Coming Monday - Needs Help

88 Pint Quota Set For Visit

With the Fourth-of-July week end approaching, county Red Cross Blood chairman, Dr. A. A. Fratrick, believes there is no better time than this to stress the need for additional blood donors in the county's program.

The Red Cross Bloodmobile will be at Liberty Baptist Church on Monday July 1, from 11:30 a.m. to 5:30 p.m., Dr. Fratrick has announced.

Mayor S. R. Lawson pointed out in a proclamation last week that the use of blood during the four day July 4th holiday will double, and the supply of needed blood will be depleted. He has called on all able citizens to respond to the call for donors.

Lawson has cautioned residents that Appomattox county will lose its blood program if its citizens do not donate 95 per cent of its quota of 266 pin. for the fiscal year beginning July 1st, 1963.

In terms of individual visits, this means, said Dr. Fratrick, that 'We must get a minimum of 88 pints of blood at each of our three visits or be dropped from the program.'

Dr. Fratrick explained that this would mean that county residents would no longer receive blood at no cost for the blood itself. At present county residents pay only the administration charge made by the hospital. Costs of a pint of blood would run about $50 a pint. he said, and patients would not be using Red Cross blood.

In areas not covered by a Red Cross Blood Program, patients are required to replace blood on a two pint for one ratio. The person using blood must still pay for administration costs.

Dr. Fratrick said that he is confident county residents would not want to drive to Richmond or Farmville to replace blood.

Red Cross officials have placed the commercial value of this program in Appomattx county in excess of $13,000. The program is financed by the local Red Cross Fund campaign.

Eight - seven donors gave blood during the last Bloodmobile visit in March.

Chairman Names Aides For Visit Of Bloodmobile

Dr. A. A. Fratrick has named ts, lists, other clerical workers and various organizations which will assist the Red Cross Monday during the visit of the Bloodmobile. Appomattox Garment Company will send assistance to unload and load equipment. Lewis McDearmon is to give ice for beverages. John C. Cole Dairy will give milk. The "Omen's Missionary Union of Liberty Baptist Church (Mrs. A. L. Harwood, Jr., president) will serve refreshments. Inge's Department Store erected a display advertising and promoting this first Bloodmobile visit of the fiscal year. Among the typists are Mrs. Lilene LeGrand, Mrs. Barbara Cawthorne, Miss Marlyn Martin, Mrs. Peggy Lawson, Mrs. Peggy Marshall, and Mrs. Mary Terry. At the Label desk will be Mrs. Norma Chastek, Mrs. Keeny Abbitt and Mrs. Flossie Beamer.

Farmer-Banker Meeting Held At Altavista

Approximately 60 county residents were among the hundreds who participated Saturday, June 22, in the annual Farmer-Banker meeting of the Lynchburg District, Blueridge Clearing Horne Association. Both local banks in Appomattox participated in the event which included tours of the Altavista Weaving Plant, Stanton River Finishing Plant, and the Leesville Dam Project and proposed park site. The visitors were served an evening meal at the Altavista High School by the local PTA.

Minister's Son Drowns In Lake

Kyle Hudson, 14, son of Reverend and Mrs. Vergil L. Hudson, pastor of Evergreen Baptist Church, drowned Saturday in McDearmon Lake near the parsonage at Evergreen. Kyle and a friend were swimming about 10:15 a.m. when Kyle apparently was str.-k with sudden cramps. His frie- d, Stev' Fleshman, 12 ran for help. The Appomattox Rescue Squad recovered the body at 12:15 p.m.

Kyle was a member of Evergreen Baptist Church and a ninth grader at Appomattox High School. In addition to his parents, he is survived by two sisters, Lenda Gay and Lynnette Marie Hudson of Evergreen; his paternal grand.parents: Mr. and Mrs. E. L. Hudson of Prospect, and his maternal grandparents. Mr. and Mrs. Victor H. Fond, of Louisville, Kentucky.
